PARISH MISSION

Our Lady of Fatima and Immaculate Conception Parish is a Catholic faith community called by God to holiness. Our calling is realized in a spirit of love, unity and hospitality. As a faith community, we will deepen our knowledge and love of God in Christ. We will seek to contribute our time, talent and other resources in a spirit of service based on our Baptismal commitment, founded on the Word of God and celebrated in sacramental life, especially Eucharist.

Is Christ King in Our Hearts?

When you think of a king, who is the first person to pops into your head? It may depend on how much history you know, or which historical period intrigues you the most. As Americans, the first person we might think of is King George III, whose reign has become synonymous in our national lore with the concept of tyranny.

We don't have much familiarity with kingship in modern American society. Kings tend to make us uneasy. Presidents, on the other hand — we can handle those, because we know we are a president's boss. No matter how much power he has, we are the electorate. We are the source of that power. We're comfortable with this arrangement.

But with kings it is profoundly different. Traditionally, the king derives his power from God. His rule bridges humanity with the divine.

We should reflect carefully on whether or not we have made Jesus Christ king in our hearts, or whether we regard him as a president. The difference isn't just one of titles, it's one of roles. Subjects do not demand anything of a king. They beseech. They entreat. They submit, and they accept.

Do we demand of Christ, or do we beseech? Do we tolerate God's edicts with grumbling, or do we embrace His word as the means of our reconciliation with Him?

The "good thief" treated Christ as a king. His counterpart treated him as a president. And it's worth remembering that Jesus Christ is not the President of the Universe.

November 23 Catholic Trivia

Question: What's the difference between a disciple and an apostle? Answer: Disciples are "called," and apostles are "sent."

TAKE FIVE

A Real Power Move...

Power seems cool to possess—from a distance. You can do anything with enough of it. Order people around, get your way, make money, squander it, and get more. Those with worldly power are seemingly invincible—every comfort, security, and cure is theirs for the taking. That's why the crowds around the cross mock Jesus as a phony. If he really had juice, why is he hanging up there? What they failed to appreciate is the diving use of authority: not for self-preservation, but poured out for the sake of others. Think differently. Think love.
