**TAKE FIVE**

***Choose the Right Route***

*Breaking Bad* the highly acclaimed television series (2008-13) in which a desperate and dying chemistry teacher decides to become a producer of methamphetamine to make sure his family is cared for, is a modern morality tale that illustrates the destruction and death that are the consequences of making wrong choices or “:breaking bad,” as it were. With each ill-conceived decision it becomes easier to make the next until you become so turned around that you completely lose your moral compass. Take the time to map out your choices to see where they will lead—and then choose the path of righteousness.

*My sincere than you to everyone for your prayers, floral arrangements, plants and get well cards I received during my recovery. I am truly most grateful! Mary Thayer*

**The Passion of the Christ**

A movie by Mel Gibson will be shown  
Palm Sunday, March 29th  
from 12-3pm in the hall at  
OLF. This movie is rated R  
and free.
