TAKE FIVE

The three-tent solution

Saint Peter's idea at the Transfiguration charms us with its reasonableness. When blessed with the sturdy foundation of the law of Moses, the strong prophetic tradition of Elijah, and the kindly ministry of Jesus, why not build an institution that encompasses all three? Peter's plan wasn't faulty, because the church does honor all these roads to truth in its scripture. But Peter's architectural model envisioned these men as leaders of equal merit. God, the voice that speaks from the cloud, clearly differentiates between the three, calling Jesus alone "Beloved Son."
