Via Lucis - Introduction

Via Lucis, or the Stations of Light, is a devotional practice for reflecting on the joy and hope of the Resurrection during the Easter season. While the Stations of the Cross commemorate Jesus' journey to his crucifixion and death, the Stations of Light focus on the events that followed the Resurrection.

Our parish has a free Formed subscription for you! Simply scan the QR code or visit formed.org/signup to create your account and select our parish to get free access to this content and much more!

TAKE FIVE

It's time to talk

When was the last time you called a friend just to say hello? In our digital culture, spontaneous socializing and getting together “just to talk often gets squeezed out. Yet it was in conversation on the road to Emmaus that the disciples made important discoveries about the meaning of Jesus’ life and mission. Their hearts “burned within them” as Jesus explained the mysteries of their faith to them. Conversation is an important path to discovery and growth. Make it a priority this Easter season to talk with loved ones about the things that matter most.
