TAKE FIVE

See with the eyes of a child

"I see dead people . . . walking around like regular people," confessed the preternatural child in the thriller *The Sixth Sense*. It is not uncommon for children to be portrayed in movies and literature as possessing special powers or visionary gifts. And we know that, as the old TV show put it, "kids say the darndest things." Because kids haven't been completely conditioned to adult social conventions, they sometimes see and say things that "wise" adults miss entirely—or perhaps simply have forgotten how to see. If we make the effort to recover the childlike innocence and openness so prized by Jesus, God has much to reveal to us—things that until now have been hidden only by the limitations of our own vision.

Our Lady Of Fatima is in the need of volunteers for the following parish activities. If you are interested please email the parish office at: parishoffice@OLFIC.org or call us at 603-526-4484. Thank you in advance!
