

Summary of Pastoral Council's Meeting on March 9, 2026

The Finance Committee joined the Pastoral Council at the March 9th meeting. The Finance Committee presented our parish's financial status, followed by a discussion on budget planning, collection strategies and how best educate parishioners on expenses. The Council reviewed the planning of our upcoming event, Guess Who's Coming to Dinner, on April 26. Signups to be guest at someone's house or to be a host house will occur over the next few weekends. Look for the signup sheets in the back of the churches and join an event that helps build our parish community.
