

PASTORAL MEETING SUMMARY 09/08/2025

The Pastoral Council met on September 8. Father reported that the AC will be installed in September, but the parking lot project has been postponed to next year. Our most relevant topics discussed were final plans for the family picnic, updates to our parish website, and the upcoming Ministry Fair on the weekend of Oct 18 and 19 after the Masses. This is your opportunity to check out all our ministries and sign up for one (or more) that you would like to help out with. Hope to see you there.
